

**PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

**WATER DIVISION  
Water and Sewer Advisory Branch**

**RESOLUTION W-5115  
August 25, 2016**

**RESOLUTION**

**(RES. W-5115) SAN GABRIEL VALLEY WATER COMPANY,  
ORDER CORRECTING ERRORS IN RESOLUTION NO.W-5107.**

---

**SUMMARY**

The Commission has been informed of errors in Resolution No. W-5107, which was passed on August 18, 2016. The resolution omits revisions in Findings and Conclusions 4 and Ordering Paragraph 2 that allow San Gabriel Valley Water Company to incorporate AL 477 into its present rate tariffs.

To correct this, revised pages 3 and 4 of Resolution No. W-5107 are attached with the correct revisions.

**IT IS ORDERED THAT:**

1. Findings and Conclusions 4 and Ordering Paragraph 2 of Resolution No. W-5107 are hereby replaced with corrected language in the revised and attached pages.

This order is effective today.

Signed and dated in San Francisco, California on August 25, 2016.

TIMOTHY J. SULLIVAN  
Executive Director

With the authorized return on rate base of 8.49%, the resulting revenue requirement increase is \$556,437 or 0.8% of the adopted revenue. Accordingly, the requested rates are shown in Appendix A. The monthly bill for a 5/8-inch metered customer using 19 Ccf will increase from \$63.22 to \$63.69, a \$0.47 difference.

## **COMMENTS**

Public Utilities Code Section 311(g)(1) provides that resolutions generally must be served on all parties and subject to at least 30 days public review and comment prior to a vote of the Commission. However, Section 311(g)(2) provides for waiver of the comment period for an uncontested matter in which the decision grants the relief request as is the case here.

Accordingly, this Proposed Resolution was not mailed for public comment.

## **FINDINGS AND CONCLUSIONS**

1. By Advice Letter 477 filed on March 31, 2016, San Gabriel Valley Water Company seeks a rate base offset of \$3,235,000 associated with the construction of a new well and reservoir at Plant F21 and an annual revenue requirement increase of \$556,437 or 0.8% in its Fontana Water Company Division.
2. The new reservoir is currently used and useful.
3. Based on the Water Division investigation, the rate base of \$3,235,000 and the resulting revenue requirement increase of \$556,437 or 0.8% are found to be just and reasonable.
4. San Gabriel Valley Water Company should be authorized to file a supplement to Advice Letter 477 to incorporate the rate schedules (Appendix A) and to concurrently cancel its presently effective Rate Schedules.

**THEREFORE, IT IS ORDERED THAT:**

1. This Resolution grants the request by San Gabriel Valley Water Company in Advice Letter 477 for a rate base offset of \$3,235,000 for Plant F21 with an annual revenue increase over current revenue of \$556,437 or 0.8%.
2. Authority is granted under Public Utilities Code Section 454 to San Gabriel Valley Water Company to file a supplemental Advice Letter incorporating the Rate Schedules attached to this Resolution as Appendix A and to concurrently cancel its presently effective Rate Schedules. The effective date of the Rate Schedules shall be five days after the date of filing.

This Resolution is effective today.

I certify that the foregoing Resolution was duly introduced, passed, and adopted at a conference of the Public Utilities Commission of the State of California held on August 18, 2016; the following Commissioners voting favorably thereon:
